

From gate at road drive to end of track, turn right then at the end of that track turn left, when you meet the runway (wide concrete strip) turn left, keep to the very left of the runway, the active piece starts a third of the way along and is denoted by an asphalt strip in the middle of the concrete strip. At the intersection turn left, the active runway here is the grass at the right of the strip, keep as far left as possible. At the end of this strip turn right, BUT NOT BEFORE LOOKING AHEAD AND BEHIND YOU FOR LANDING AIRCRAFT. Park near the clubhouse.
